

ZACHARY CUSTOM HOMES

AWARD WINNING CRAFTSMANSHIP

Building World-Class Custom Homes Throughout Texas & Colorado's Most Iconic Landscapes

ZACHARY CUSTOM HOMES

Zachary Custom Homes presents the quintessential luxury custom builder specializing in one-of-a-kind residences distinguished by uncompromising craftsmanship, architectural refinement, and a deeply personalized building experience. For thirty years, ZCH has partnered with discerning clientele to create estates that are not merely lived in — but felt, admired, and handed down.

EXQUISITE DESTINATIONS

Expanding beyond Texas, ZCH proudly brings our award-winning custom-home expertise to the **Rocky Mountains of Colorado**, with projects across **Breckenridge, Keystone, Vail, Beaver Creek** and the **Denver** metro area.

From elegant mountain modern retreats to timeless legacy estates, our homes harmonize with their natural surroundings while embodying the highest level of luxury.

EXTRAORDINARY STANDARDS

We maintain a level of craftsmanship, precision, performance and transparency that strives to exceed the highest expectations — ensuring every detail is executed flawlessly, without compromise.

CUSTOMIZED CONCIERGE APPROACH

Our comprehensive and systematic processes encompass the entire custom homebuilding experience — beginning with overall management from conceptual and architectural design to engineering, municipal coordination, interior design, exterior land-sculpture, construction, bespoke furnishing integration, move-in support, and long-term warranty oversight.

COLLABORATIVE CULTURE

The ZCH culture blends an intimate collaboration of architectural design with material curation, budgetary transparency and meticulous execution. Each home involves a holistic approach balancing innovation with performance, aesthetics, and a profound connection to the site. With a reputation built on integrity, artistry, and scrupulous detail, Zachary Custom Homes continues to redefine luxury, livability and distinction.

THE ANTICIPATION

ZCH brings the same level of artistry founded in Dallas, Texas to the Rocky Mountains blending elevated alpine aesthetics with warm, modern sophistication. These Colorado custom homes serve the most exclusive audience with an appreciation for the ZCH concierge approach.

THE EXPERIENCE

- ▶ White-glove project management from architectural design to completion.
- ▶ Ultimate transparency magnifying a collaborative design-build process customized for the unique vision of each client.
- ▶ Access to world-class architects, interior design teams, landscape artisans, and master craftsmen.
- ▶ Redefining quality and exceptional space planning tailored to individual lifestyles.

Now building across Texas and Colorado — including Breckenridge, Keystone, Vail and Beaver Creek's iconic alpine landscapes, as well as Denver's most premier neighborhoods — ZCH brings our fully integrated process to the most sought-after destinations in the Rockies.

Whether you envision a mountain modern retreat or a timeless estate, our team delivers a level of concierge service and craftsmanship rarely experienced and always appreciated.

THE CRAFT

- ▶ Precision engineering coupled with handcrafted details.
- ▶ Curated, globally sourced materials selected for quality, individuality and value.
- ▶ Spaces created to enhance personal lifestyles with timeless distinction.
